DUFFLE BAG

All of your personal items should be packed into a soft-sided duffle bag approximately 12" x 13" x 24" in size. These duffle bags are available at www.redrockoutfitters.com (more info about this on reverse).

DAY BAG

Upon arrival at the orientation meeting the night before your trip, you will be provided a water-resistant day bag (approximately 7" x 13"). In this day bag, you will want to put those items you wish to access during the day (raingear, camera, medications, sun block, lip balm, etc). We recommend packing these items in a simple plastic grocery sack inside your duffle for easy transfer to your day bag at the launch site.

GEAR BAG

Also upon arrival at the orientation meeting the night before your trip, you will receive a water-resistant gear bag. This bag will contain your sleeping bag, sheet and ground tarp. You will put your duffle bag inside this bag, roll the top down and clip it securely to avoid getting your personal gear wet. Your personal gear bag will be available at camp each night of your trip.

CLOTHING ITEMS

- Two-piece rain suit (Not just for rainstorms - water temperatures can be chilly! Quality rain gear offers protection against the cold water when running rapids - especially early in the morning. No ponchos please)
- 2-3 swimsuits (2-piece swimsuit and quick-drying shorts or sports bra and shorts recommended for women)
- 2-3 quick-drying shirts (long sleeve and/or short sleeve)
- 2 pair of lightweight pants/shorts, shirts & underwear for camp
- 2 pair of socks for use in case of sunburn or foot injury
- 1 pair quick-drying pants (optional - for sun protection)
- Lightweight fleece top
- Sturdy water sandals or water shoes. Based on the type and condition of your footwear, you may want to consider a backup pair of sandals or shoes in case of any damage.
- Comfortable footwear for camp (optional - some guests prefer to change out of wet sandals or shoes into flip flops or other light weight shoes)
- Hat for sun protection with string or hat clip

VALUABLES » You will want to have photo ID, a major credit card, and some cash for gratuities. All other valuables and jewelry should be left at home. In addition, as a safety precaution we suggest that you not wear rings on the river. Also, each year a few of our guests traveling on airlines arrive without luggage. With this in mind, we suggest you carry with you medications, prescription glasses, and anything you may not be able to replace the evening before your trip departs.

EXTRA LUGGAGE » Transfer all your personal clothing and gear which you will need on the river expedition to a small lightweight duffle bag. Identify duffle bag with label. All additional luggage will be transferred to your post-trip lodging accommodations, in Lewiston, Idaho. Please **DO NOT BRING SUITCASES** on your river trip. As part of your camping equipment package, we provide a water-resistant bag in which you will place your duffle bag as well as the sleeping bag that we provide.

WEATHER » We always hope for good weather but you should be prepared for the possibility of cooler weather and storms. This is applicable to all trips throughout the season. The following chart shows averages for the months of May through September. Temperatures and precipitation will vary. A rain storm or a cool front can happen anytime. You can find current weather forecasts at www.westernriver.com. Go to "Idaho Rafting", "Snake River 4-6 Day" and click "Weather Forecast."
