

Participant Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement - Western River Expeditions & Moab Adventure Center

In consideration of the services of Moab Adventure Center, its agents, owners, officers, volunteers, participants, parent, sister or subsidiary corporations including specifically but not limited to Western River Expeditions Inc. and Canyon Country River Adventures Inc., employees, sales agents, subcontractors and all other persons or entities acting in any capacity on their behalf (hereinafter collectively MAC), I hereby agree to release and discharge MAC on behalf of myself, my parents, my heirs, assigns, personal representative and estate as follows:

1. **Inherent Risks:** I acknowledge that any adventure activity such as rafting, kayaking, paddle-boarding, jet-boating, riding or driving in off-road vehicles, horseback riding, mountain biking, climbing, hiking, rappelling, or flying in planes or balloons entails known and unanticipated risks that could result in physical or emotional injury, death, or damage to myself, to property, or to third parties. I understand and acknowledge that the enjoyment and excitement of adventure activities is derived in part from inherent risks incurred by activity beyond the accepted safety of life at home or in my normal day to day activities and that these inherent risks contribute to my enjoyment and excitement and are an integral reason for my participation in this activity. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity. I also understand and acknowledge that failing to use or properly use safety type equipment increases my risk of injury or of not surviving an accident or incident while participating in these activities.

The inherent risks associated with the adventure activities in which I am about to participate include, but are not limited to: encountering whitewater rapids and changing water flows, dirt roads and trails, or turbulent air and the possibility that I will be jolted, jarred, bounced, thrown to and fro and shaken about during rides through some of these rapids, roads, trails and air; it is possible that I could be injured if I come in contact with food boxes, oars/paddles, other storage containers, or other fixed equipment necessary to the operation or outfitting of the raft, boat, vehicle, bicycle, plane, balloon or horse (hereinafter referred to collectively as "equipment"). The equipment may break down or be faulty; it is possible that loss of control of the equipment could occur resulting in collision, capsizing, or crashing, and that if a piece of equipment turns over or crashes I could be thrown out. Surfaces are slippery when wet and are naturally unstable so that I could slip and fall or be knocked out of the equipment even in calm water or flat terrain. I may become disoriented, panicked and/or experience trauma from rocks, boulders, etc; I can slip or fall during hiking or getting to and from the equipment and I understand that the areas in which I might hike sometimes hide dangerous obstacles such as tree wells, tree stumps, creeks, rocks and boulders, forest dead fall, etc. The equipment or any portion of it may collide with or encounter other man-made or natural objects including trees, rocks, branches, boulders, bridges, etc. Accidents can occur getting on and off the equipment; changing weather conditions, storms or even lightening are possible; exposure to the natural elements can be uncomfortable and/or harmful and I am aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke, heat cramps or fatigue, some or all of which may diminish my or the other participants' ability to react or respond; I understand that exposure to cold water can result in "cold water immersion" syndrome or "cold shock," hypothermia and in extreme cases death; I may encounter dangerous wildlife, insects, etc.; communication in the terrain in which these activities occur is always difficult and in the event of an accident, rescue and medical treatment may not be immediately available. **I acknowledge that I AM ULTIMATELY RESPONSIBLE for my own safety during my participation in MAC events/activities.**

I specifically acknowledge also that MAC events/activities may involve **lodging/camping/bivouacking in rustic and rugged** situations which may present "comfort style" issues for which I accept responsibility. I acknowledge that food preparation is an integral part of some of these activities and that I and other participants may be eating in the outdoors or community style environments and that some of the food may not be to my liking; there may be errors in food storage or preparation that could cause my dissatisfaction and/or illness; and exposure to foodborne bacteria or virus; water-borne bacteria or virus; kitchen or cooking related dangers. I acknowledge my responsibility to inform MAC of any specific food related allergies, but understand that I alone am fully responsible for avoiding foods that I am allergic to, both known and unknown, and will ask a crew member about the ingredients of each meal and will avoid all potential allergens. I acknowledge that despite reasonable efforts by staff, cross-contamination through utensils, dishwasher systems, other guests, or airborne products are possible and I accept these as inherent risks of group travel. I specifically acknowledge that, in the event I choose to consume alcohol during my trip, I will bear complete responsibility for myself and for any damages I may cause to MAC, its property or to other guests. I acknowledge that my time at MAC events/activities may require me to use equipment (IE - tents, stoves, water filtration, etc.) that I might not be familiar with and will require me to interact with other guests and participants with whom I am also unfamiliar; any of these things can cause my discomfort and stress and have inherent risks. I acknowledge that I could be left alone, unsupervised and/or out of contact with a guide/staff person for extended periods of time. I acknowledge that there are numerous other issues I may encounter, such as campfires and latrine issues, and

exposure to pathogens and viruses, both airborne and surface transmittable, including but not limited to contraction of noroviruses, coronaviruses, hantavirus, COVID-19 and subsequent mutations and strains, which, while they seem open and obvious, also have inherent risks associated with them.

I acknowledge that I may choose to participate in activities that are provided by **other vendors or operators** (i.e. buses, flights, biking, climbing, horseback riding) over which MAC has no control. Those activities are incidental to the activities provided by MAC and may involve errors in judgment by the other vendors or operators for which MAC can bear no liability. MAC is **not a "Common Carrier"** but rather is in the business of providing rafting or adventure type trips. Transportation to and from the activity is incidental to the activity. Transport by car, bus or van in some instances may be provided by MAC and may involve errors in judgment by MAC staff operating the vans, buses, cars or other transport vehicles. The vehicles and transport trailers may malfunction, break down or be poorly maintained, causing injury, accidents, delays or in the extreme case, death. Furthermore, **MAC Guides have difficult jobs to perform**. They seek safety, but they are not infallible. They might be ignorant of a participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instructions and/or I as the participant may fail to understand the safety directions due to language issues. I specifically acknowledge that decisions made by guides/staff and participants are often made in wilderness/remote/dangerous settings and are made based on often imprecise, momentary and subjective perceptions so that decisions are subject to errors in judgment that cannot and should not be associated with fault at a later point in time.

2. **Express Assumption of Risk:** As lawful consideration for being allowed to participate in activities offered by MAC, I expressly agree and promise on behalf of myself and any of the children for which I am responsible, to accept and assume all the risks existing in this activity. My/our participation in this activity is purely voluntary, and I/we elect to participate in spite of the risks. I/we expressly agree and acknowledge that the terms and conditions of this Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement are contractual in nature and that I/we are signing it of our own free will.
3. **Release and Waiver of Rights Including for Claims of NEGLIGENCE:** On behalf of myself and any of the children for which I am responsible I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless MAC from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my/our use of MAC's equipment or facilities, including any such Claims which allege negligent acts or omissions of MAC
4. **Indemnity:** Should MAC or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree on behalf of myself and any of the children for which I am responsible to indemnify and hold them harmless (in other words, I agree to pay for...) for all such defense fees and costs.
5. **Personal Skill & Insurance:** I certify on behalf of myself and any of the children for which I am responsible that I/we have sufficient skill and fitness to participate in the activities offered by MAC I further certify that I/we have no medical, mental or physical conditions which could interfere with my/our safety or ability to participate in these activities, or else I/we are willing to assume and bear the cost of all risks that may be created, directly or indirectly, by any such condition. I/we further certify that I/we have adequate insurance to cover any injury, damage or emergency transportation or search and rescue costs I/we may cause or suffer while participating, or else agree to bear the costs of such injury, damage or emergency transportation costs ourselves.
6. **Medical Issues:** I agree on behalf of myself and any of the children for which I am responsible that, in the event that MAC deems it necessary to administer emergency first aid or CPR or to remove me/us from its activities or premises or from the field or to seek emergency medical care for me/us that, by signing this document, I/we are giving MAC permission to: administer emergency first aid or CPR, secure emergency transport or medical care and/or disclose any medical information it may have about me/us to any health care provider which may become involved in my/our care, treatment or removal from the field. By signing this document I/we are waiving any right to object to or bring any type of action or claim against MAC for its administration of emergency first aid or CPR or for securing emergency transport or medical care and/or for the disclosure of personal medical information it may have about me/us to any health related person who becomes involved in my/our care or removal from MAC activities or the field.
7. **Photographic Assignment:** I understand that MAC reserves the right to take photographic or film (of whatsoever nature) records of any or all of its activities or trips and on behalf of myself and any of the children for which I am responsible I/we hereby agree that MAC may use such records for promotional and/or commercial purposes without any remuneration to me. I/we hereby assign all right, title and interest I/we may have in or to any and all media in which my name or likeness might be used by MAC

8. **Release as Contract and Personal Capacity:** On behalf of myself and any of the children for which I am responsible I expressly agree and acknowledge that the terms and conditions of this Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement are contractual in nature and that I/we are signing it of my/our own free will. I/we expressly acknowledge that I/we are not under the influence of drugs or alcohol at the time of my/our signing of this document and that there are no other impediments or reasons why I/we would lack the capacity to enter into this contract with MAC
9. **Forum Selection, Severability, Breach of Contract/Warranty Waiver, Etc.:** In the event I/we file a lawsuit against MAC, I/we agree to do so solely in the State of Utah, and I/we further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state and I/we hereby irrevocably waive any other jurisdiction or venue to which I or my estate might otherwise have been entitled. I/we agree to submit to the jurisdiction of the Utah courts. I/we agree that if any portion of this agreement/contract is found to be void or unenforceable, the remaining portion shall remain in full force and effect; this document is intended to be interpreted as broadly as possible. A copy of this release contract can be used as if it were the original. I/we understand that this document constitutes the entire Agreement/Contract between ourselves and MAC and that it cannot be modified or changed in any way by representations or statements of any nature (be they vocal, advertising, etc.) outside of this document; in other words, I/we are also waiving any claims I/we might have for breach of contract or warranty for statements or representations made outside of this release contract.

By signing this document, I acknowledge for myself and any of the children for which I am responsible that if anyone is hurt or property is damaged during my participation in this activity, I/we may be found by a court of law to have waived my/our right to maintain a lawsuit against MAC on the basis of any claim from which I/we have released them herein.

I/WE HAVE HAD SUFFICIENT OPPORTUNITY TO READ THIS ENTIRE DOCUMENT. I/WE HAVE READ AND UNDERSTOOD IT, AND I/WE AGREE TO BE BOUND BY ITS TERMS.
