

Packing List & Travel Tips

DUFFLE BAG

All of your personal items should be packed into a soft-sided duffle bag approximately 12" x 13" x 24" in size. Due to aircraft weight allowances and raft space, please limit your gear to 20 pounds. There is also a beverage limit of no more than 5 pounds per person.

DAY BAG

Upon arrival to the river's edge, you will be provided a water-resistant day bag (approximately 7" x 13"). In this day bag, you will want to put those items you wish to access during the day (raingear, camera, medications, sun block, lip balm, river guidebook, etc). We recommend packing these items in a simple plastic grocery sack inside your duffle for easy transfer to your day bag at the launch site.

GEAR BAG

Also upon arrival at the launch site of your trip, you will receive a water-resistant gear bag. This bag will contain your sleeping bag, sheet and ground tarp. You will put your duffle bag inside this bag, roll the top down and clip it securely to avoid getting your personal gear wet. Your personal gear bag will be available at camp each night of your trip.

CLOTHING ITEMS

- Two-piece rain suit or "paddle gear"** (Not just for rainstorms - offers protection against the 50°F cold water and wind-chill when running rapids - especially early in the morning.)

- 2-3 quick-drying shirts
- 2 pair comfortable shorts and underwear for camp
- 2 pair socks for use in case of sunburn or foot injury

- Lightweight fleece top
- Sturdy water sandals or multi-sport shoe that can get wet with good tread & support for hikes. It is wise to consider a backup pair of sandals or shoes in case of damage.
- Comfortable footwear for camp (some guests prefer to change out of wet sandals or shoes into flip flops or other light weight shoes)
- Hat for sun protection with string or hat clip
