

Packing List & Travel Tips

DUFFLE BAG

All of your personal items should be packed into a soft-sided duffle bag approximately 12" x 13" x 24" in size. These duffle bags are available at www.redrockoutfitters.com (more info about this on reverse).

AMMO CAN

At orientation you will be provided a water-resistant military surplus ammo can. In this can, you will want to put those items you wish to access during the day (raingear, camera, medications, sun block, lip balm, etc). We recommend packing these items in a simple plastic grocery sack inside your duffle for easy transfer to your ammo can at the launch site.

GEAR BAG

Also upon arrival at the orientation meeting the night before your trip, you will receive a water-resistant gear bag. This bag will contain your sleeping bag, sheet and ground tarp. You will put your duffle bag inside this bag, roll the top down and clip it securely to avoid getting your personal gear wet. Your personal gear bag will be available at camp each night of your trip.
