

Packing List for the River

DUFFLE BAG

All of your personal items should be packed into a soft-sided duffle bag approximately 12" x 13" x 24" in size. Due to aircraft weight allowances and raft space, **please limit your gear to 20 pounds**. This 20-pound maximum weight limit does not include beverages

DAY BAG

Upon arrival to the river's edge, you will be provided a water-resistant day bag (approximately 6" x 12"). In this day bag, you will want to put those items you wish to access during the day (raingear, camera, medications, sun block, lip balm, etc). We recommend packing these items in a small sack or bag inside your duffle for easy transfer to your day bag at the launch site.

GEAR BAG

Also upon arrival at the launch site of your trip, you will receive a water-resistant gear bag. This bag will contain your sleeping bag, sheet and ground tarp. You will put your duffle bag inside this bag, roll the top down and clip it securely to avoid getting your personal gear wet. Your personal gear bag will be available in camp the night of your trip.
